Assignment of Insurance Benefits/Release of Information

Payment of insurance benefits is hereby assigned to Garner & Riley Physical Therapy for application on the patient's bill. The undersigned and/or patient will be responsible for charges not covered by this assignment and/or paid by insurance coverage. Release of information, assignment of insurance benefits and direct payment is authorized. The patient may be eligible for receipt of health care benefits from insurance companies and/or third party payers. The undersigned hereby authorizes Garner & Riley Physical Therapy to furnish information relating to all services provided the patient from the patient's medical and other records for the purpose of obtaining payment on this account.
